PACIFIC MAIL WILL TAKE PANAMA REGISTRY?

Pacific Mail liners under the Panama Republic flag and register was today given as a possible result from recent negotiations which are said to have progressed to considerable extent between the Panama government and the Pacific Mail officials.

Before the big liner Mongolia steamed from San Francisco it was said the Panama flag offered a satisfactory solution to the difficulty met by the enforcement of measures incorporated in the new shipping law. Chinese or other Asiatic employees could continue their service in Pacific Mail liners, if vessels were enrolled under a Panama registry.

The report that steamship officials had considered putting the liners under a Chinese flag was scouted as highly improbable by officers in the Mongolia. The fact that the relations between China and Japan have been severely strained for some time past would dismiss China from consideration.

The possibility of the Pacific Mail's maintaining a local passenger and freight carrier between San Francisco and Honolulu also is said to have been seriously considered on the Coast.

Officers in the Mongolia say the vessel was delayed for a number of hours by strong northwesterly winds. It was rumored along the waterfront the Mongolia had met with an accident to her machinery. This was positively denied on board the vessel today.

The Mongolia steamed from San Francisco with 76 cabin passengers, three second-class and one steerage. Proceeding through to Japan and China ports are 164 cabin, 20 second-class and 329 Asiatic steerage passengers.

The vessel has been given 15 deports of Chinese and Japanese by the federal immigration authorities on the Coast. These people, some of them demented and all listed as undesirable, are under guard.

The Mongolia carries a large through cargo for North China and Japan. A large number of motor cars is destined for Siberia and Manchuria. The vessel is expected to steam for the Asiatic coast at 5 o'clock this evening, taking a score of passengers in the cabin from this port. The local postoffice received 340 sacks of mail in the steamer.

With about 8000 sacks of sugar and 50 head of cattle, the steamer Maui is reported to have left Hawaii for Honolulu.

Taking about 1000 tons of cargo supplied at Oriental ports, the Japanese liner Chiyo Maru is reported to have left Yokohama for Honolulu yesterday.

To re-enter the service as an oil carrier after many months spent on the coast, the ship Falls of Clyde sailed from San Francisco with oil for delivery at Honolulu.

With a large list of through passengers for the coast of Asia, the T. K. S. S. Shinyo Maru sailed from San Francisco this afternoon. The vessel is due at Honolulu next Friday.

More than 100 Asiatic steerage passengers are expected to leave the islands in the Pacific Mail liner Mongolia, which steams for Japan and China at 5 o'clock this evening.

Representing varied tea interests in the Far East, a party of well-known travelers are proceeding to the Far East in the Mongolia. The party includes W. H. Seigfried, Lester Seigfried, J. H. Peterson, Jr., George S. Besse, F. W. Gotch, L. F. Pye and Mrs. Pye.

The Inter-Island steamer Mauna Kea was hauled along the U. S. naval floating crane today to discharge a quantity of three-inch steel cable brought from Hilo. The material will be used in salvage of the sunken submarine F-4.

T. H. Davies & Co. have been advised the Canadian-Australasian liner Niagara from Sydney by the way of Auckland and Suva, will arrive at the port tomorrow morning. The vessel is expected to remain a few hours to discharge several hundred tons of cargo before steaming for Vancouver and Victoria.

The United States army transport Thomas from Manila and Japan is due at Honolulu on Monday morning, according to a late wireless message to the U. S. quartermaster department. The Thomas was supplied with several thousand tons of coal at Nagasaki. The vessel is expected to receive a prompt despatch for San Francisco Saturday.

The Pacific Mail liner Siberia from the Philippines, by way of China and Japan ports, is expected here Monday morning. It is reported to be bringing more than 1000 tons of Oriental cargo for delivery at Honolulu. Hackfeld & Co. expect to despatch the steamer to San Francisco on Tuesday morning.

Mauna Kea Brings Delighted Tourists. More than a score of visitors to the Kilauea volcano were numbered with the returning travelers in the Inter-Island steamer Mauna Kea from Hilo today. They say the lake of fire has assumed large dimensions. New lava cones continue to make a spectacular showing at night. The Mauna Kea brought a fair-sized list of passengers in the cabin. A general cargo of Big Island products has been discharged. The vessel has been prepared to steam for Hilo at 3 o'clock this afternoon. Purser Phillips reported the steamer Maui due to return from Hawaii tomorrow with 8000 sacks of sugar and a number of head of cattle.

Fire swept the Masonic Scottish Rite cathedral at Wheeling, W. Va., doing \$700,000 damage.

MONGOLIA PASSENGERS HEAR LECTURES ON WAR

Popular lectures on the war situation in Europe was the treat enjoyed by the passengers of the Mongolia this trip as a consequence of having among them Dr. H. H. Powers, president of the Bureau of University Travel.

Dr. Powers is conducting a party of ten to the Orient, where they will visit Japan and China. Some will continue the excursion and circle the globe. The function of the bureau is to act as guides to people interested in art and history.

"We will make the around-the-island tour today," said Dr. Powers. "We want to see the tropical scenery for which Hawaii is noted."

The party will leave on the Mongolia tonight.

Sugar Fast Moving From Hawaii.
